EXPERIENCE

Digital Project Manager

Oct 2025 - Present

MBLM, Dubai, UAE.

- Led the end-to-end delivery of digital transformation projects for one of leading entities in the UAE, ensuring alignment with business objectives, stakeholder expectations, and quality standards.
- Directed the implementation of Allumni, an AI-powered marketing tool for brand advisors, enabling teams to automate tasks, generate ideas, and surface insights in real time.
- Applied strong technical understanding throughout project delivery, contributing to solution design and development to ensure scalable, practical outcomes aligned with system requirements while maintaining compliance with TDRA and the UAE Design System standards.
- Collaborated with cross-functional teams—including design, content, strategy, and development—to deliver cohesive and innovative solutions aligned with project requirements and brand guidelines.
- Served as the primary point of contact for clients, managing relationships through clear communication, structured updates, and proactive issue resolution.
- Managed project timelines, budgets, and resources while maintaining oversight of both functional and technical quality, ensuring consistent and timely delivery.

Client Relationship Manager | Project Manager

Sep 2018 - July 2025

Planet Green Solutions, Dubai, UAE.

- Led end-to-end delivery of digital solutions (website, mobile apps, and software), overseeing strategy, planning, and execution for high-profile government ministries like the Ministry of Cabinet Affairs, Prime Minister's Office - Dubai, Crown Prince Court - Abu Dhabi, Abu Dhabi Heritage Authority, Federal Tax Authority, etc and other government SME clients in the UAE and KSA.
- Delivered **30+ projects by leading cross-functional teams** — including design, development, QA, operations & external parties — to deliver projects aligned with business objectives, user needs, and technical feasibility.

- Successfully expedited sales cycles through the implementation of upselling and cross-selling strategies and customer acquisition methodologies, **contributing to over 60% revenue growth.**
- Developed project plans, schedules, and budgets and implemented customer journey enhancements, streamlining onboarding and support processes to improve client satisfaction and retention.
- Leveraged data and performance metrics (like resolution times, satisfaction scores) to identify process gaps, prioritise improvements, and track impact against KPIs, **maintaining a 98% satisfaction rate with 95% query resolution within 24 hours.**
- Optimised operational workflows, ensuring projects were delivered on time, within scope, and with measurable business value.
- Applied Agile and hybrid delivery methodologies, balancing flexibility with structured planning to manage multi-stream initiatives effectively.

Inside Sales & Business Development Executive

Nov 2017 - July 2018

Technialabs DMCC, Dubai, UAE.

- Spearheaded the Lead Generation Engine for Microsoft Cloud Services, expanding market reach across 100 countries in the MEA and SEA regions through 4 international subsidiaries.
- Collaborated closely with internal teams to tailor technology solutions according to specific client requirements, ensuring alignment with business objectives.
- Conducted effective online meetings and product consultations via platforms like Skype and GoToMeeting, identifying customer needs and driving engagement.
- Maintained detailed and accurate CRM records, tracking leads, pipeline progress, and client interactions to support data-driven sales strategies.

Sales Consultant

Aug 2016 - Sep 2017

Siddhi Vinayak Technology, Dehradun, India.

- Identified and developed new business opportunities through cold calling, networking, and market research, driving sales growth for Microsoft Surface Pro 4 and related products in the Uttarakhand region.
- Conducted thorough market analysis and successfully managed tender bids, including proposal submissions, payment negotiations, and coordination of timely product deliveries.
- Delivered persuasive product demonstrations, resulting in a 70% conversion rate from leads to closed sales.
- Built and maintained long-term client relationships through consistent communication and dedicated post-sale support, ensuring customer satisfaction and repeat business.

EDUCATION

Bachelor of Technology - Computer Science and Engineering.

Uttarakhand Technical University, Dehradun, India.
